

## Design and production of electronic machine (electrical and electronic national demonstration vocational colleges teaching the core curriculum Eleventh Five Year Plan)

By XIAO QIAN JUN

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 239 Publisher: Southwest Jiaotong University Pub. Date :2010-09-01 version 1. Contents: 1 digital e-learning project design and production of small products. learning objectives learning the task of preparing a colorful project outputs color light controller design and production tasks and requirements of [] [] a theory of knowledge. basic knowledge of electronics product design two. three commonly used electronic components. chips used in the project implementation profile [task] First. the overall design of two projects. develop project implementation details and work plan three. four schematic design. design of printed circuit board (PCB) five colorful color light controller assembly. commissioning and assessment [check] Task 2-color light controller design and production tasks and requirements [] the theory of knowledge [] [] an implementation of the task. the design of two clock circuit. control and drive circuit design thinking and practice learning project 2 analog electronics product design and production of small learning objectives learning the task of preparing a project output temperature transmitter design and production tasks and requirements of [] [] a theory of knowledge. testing and detection...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Otis Wisoky**

*This publication is great. It is full of wisdom and knowledge You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*

-- **Dr. Everett Dicki DDS**
