By Carole Laplante

Sunbury Press, Inc., United States, 2012. Paperback. Book Condition: New. Mary Ann Byrne-Walker (illustrator). 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.It was the author s intent to write a book that might help comfort children at night as their creative imaginations can often run away with them! It was also thought that by presenting children of different cultures and from different parts of the world, listening to similar sounds, an appreciation for diversity could be nurtured. Children should be able to identify with several nighttime sounds while building on their knowledge of nature and reality. The rhyming verse and figurative speech can help build language skills. The colorful and richly detailed illustrations depict many different emotions from delight and wonder, to feelings of anxiety, sleepiness and peace.
