Reviews

It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

This unique d20 campaign setting presents the perfect challenge for players who have been there and done that. Characters can be drawn to the Red Planet from any other d20 campaign or created anew. Sometimes newly arrived characters walk unchanged onto the Red Planet, but just as often they are reshaped into entirely new life forms. Every Martian mile presents its own new and deadly encounters! The creatures that walk the Red Planet are fierce and every corner of the planet is shrouded in mystery. GMs and players alike will have the time of their lives exploring and shaping this new world!.
