The Prairie series, of which the above title is one of the first volumes, is designed to meet the need of an edition of standard novels which combines readable type, compact form, and low price. The publishers have succeeded in all three particulars by employing an excellent, thin but opaque paper which enables them to present all the titles yet published in volumes of average thickness. This edition has no illustrations except a colored frontispiece of no importance. The volumes published so far, beside the above noted, are Scott s KenUworth (7-28266/2) and Ivanhoe (7-38267/2), Dickens Oliver Twist (7-36602/2). The publishers announce that all the works of both authors will eventually appear in this edition in uniform binding, If analyticais are made for fiction an extra card is needed...
