Understanding Algebra Through many successful editions, the Angel team has developed a text that students can read, understand, and enjoy. They ve done this by pairing clear explanations (in short sentences!) with detailed examples and thorough exercise sets. This Media Update to the 4th edition of Elementary Intermediate Algebra provides the same great pedagogy from the Angel team, but with expanded and updated resources to give your students even more tools to understand algebra. This program provides a better teaching and learning experience for you and your students. Here s how: *MyMathLab improves results with a new video lecture series and a new downloadable Student Workbook that can be packaged with the text and/or the MyMathLab code.*Carefully crafted exercise sets give students the practice they need to build understanding.*Clear, visual presentation gives students content in a readable, easy-to-understand format. Personalize learning with MyMathLab MyMathLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured...
