EASY ORNAMENTAL MANDALA COLORING BOOK FOR KIDS

Speedy Publishing Books, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Easy Ornamental Mandala Coloring Book For Kids is the ninth volume in the twenty book series Magical Artwork Designs published by the Zen Journal Team with this edition again focused on getting children coloring in mandala images. 2015 has seen adults embrace mandala artwork with coloring books for grownups being extremely popular. This edition however has been created especially for kids and provides: o Simpler geometric details that are easier to color in than the more complex adult designs o One design per page with no back to back prints. This means less chance of color leakage from one page to the other and also allows for kids to draw freehand on the blank side of the images o Interesting shapes and patterns that will keep the kids involved and coloring in for hours! With designs that are created with small hands in mind Easy Ornamental Mandala Coloring Book For Kids takes the well loved style of mandala art and presents designs in a kid friendly format that are a joy to color.
