Apparently the author does not intend to convey a coherent, continuous historical account of the infamous Zong-Massacre , which took place in 1781, but rather the ruins of history in a manner of an as-if-testimony (Bröck 29). Thus, the novel belongs to the genre of historical fiction which combines in a postcolonial context imaginative elements and historical facts with regard to the historiographical document of the death of 131 Africans at the hands of profit-hungry British slave traders and investors on board the slave ship Zong (Pichler 7).Sailing from the west coast of Africa to Jamaica, the...
